

360° SOUND SOUND EXTREME SEDS32

No ride is complete without a great audio system.

Features

- Marine-grade speakers in IP66 Patent Pending enclosure providing 100% waterproof, dirt proof and dustproof audio
- 500 watts of peak power output
- 11 marine grade speakers: 3 tweeters, 6 mid-range and 2 side mounted woofers
- The new double-sided soundbar provides the same front-facing audio as the class-leading SE26 soundbar while adding three rear speakers for 360-degree sound.
- Bluetooth 5.0 for long range reliable wireless connection to smartphone
- EcoCast allows up to 100 soundbars to be connected together or connect to any ECOXGEAR speaker with the EcoCast feature.
- Integrated on speaker controls: Power, mode (Bluetooth/FM/Aux in), volume, skip FWD/Back, EcoCast, lights, Bluetooth
- Built in microphone for speakerphone calls.
- Multi-color LED's backlight all 8 speakers: chose from red, green, blue, white. Sync to music, solid color on or off.
- Rear Facing dual 160 Lumen LED light bar can be turned on separately from the speaker LED's. LED light bar can be white, red or yellow.
- Waterproof Aux In connection port to play audio from a wired device
- Waterproof Aux out jack to daisy chain to other optional wired speakers
- Waterproof 5V USB charge out to give a boost to your phone or other devices
