

Ergonomic Keyboard

Designed by Microsoft™

Ergonomic. Portable. Wireless. Encrypted. Comfier Creativity, All Day Long

Made for a comfortable all-day typing experience, the Ergonomic Keyboard, Designed by Microsoft™, is slim, refined and considered. The keyboard features an ergonomic split keyset, cushioned palm rest, shortcut keys, and supportive structure intended to reduce fatigue while enhancing your creative experience.

Features:

- Exceptional comfort – work all day, with reduced risk of fatigue and injury, on best-in-class ergonomic keyboard
- Excellent support – premium, cushioned palm rest covered in premium fabric provides all-day comfort and promotes a neutral wrist posture
- Built-in shortcuts – Be more productive with dedicated short-cuts to Microsoft 365, Expressive Key, search, media controls and three quick-access keys to activate your first three Taskbar applications
- Hassel-free USB wired connectivity with ample cable length at 5 ½ ft
- Crunch numbers fast – work quickly and efficiently with a dedicated, integrated number pad
